04

Step 2

Canopy installation instructions

"L" = Hot wire
 "N" = Neutral wire
 "E" = Ground wire

05

Important: Test sockets with bulb before dressing the fixture.

1. Drill a 9/16" hole in the ceiling member to allow a 1/2" threaded rod to pass through.
2. Attach the electrical box to the ceiling member and pass the 1/2" threaded rod through the box.
3. Place the universal crossbar over the electrical box.
4. Mark the locations for the ceiling plugs. Insert the plug (included with screws).
5. Secure the fixture to the electrical box and the support.
6. Pull ceiling wires down through the fixture box and make connection.

Step 3

Frame Assembly Instructions

Installation:

Please read all instructions carefully.

Before you proceed to install, make sure

that the power supply is turned off and remains off until installation is complete.

Please note that each part has been assigned a number.

Please proceed in a numerical order.

1. Fix the mounting bracket (01) on the installation 4" junction (J-box).
2. Fix the "L" brackets (05) on the lamp body (02) pressing holes with M3*12 screws, fix the crystal holder (06) on the "L" brackets (05) pressing holes with M3*8 screws.
3. Screw the threaded pipe (08) on the lamp body (02).
4. Install the pipe covers (07) into the tier pipe (09) both sides, then cover the tier pipe (09), crystal holder (10) and bottom holder (11) on the threaded pipe (08), screw them well with joint (12).
5. Screw the connecting brackets (04) on the lamp body (02) pressing holes with M3*12 screws, screw the crystal holder (10) on the connecting bracket (04) pressing holes with M3*8 screws.
6. Screw the threaded pipe (13) on the joint (12).
7. Install the pipe covers (07) into the tier pipe (14) both sides, then cover the tier pipe (14) and glass dish (15), screw them with bottom lock (16).
8. Make sure the positive and negative charges of wire and lamp body match correctly, screw the connect point with the junction cap.
9. Make sure the main wire is enough long and keep the rest of wire in the 4" J-box.
10. Fix the lamp body (02) on the mounting bracket (01) with screw caps (03).
11. As the crystal dressing instruction, hang the crystal parts.

The end!

08

Step 4 Crystal Dressing Instructions

1. Hang crystal "B", "C", "D", "F".

Crystal Dressing Diagram

When dressing the chandelier with the crystals please remember to wear either rubber or cotton gloves. So as to prevent any damage or smudging on the crystals.

Congratulations !

You are now done installing your Elegant Lighting fixture. Sit back and admire each crystal as it will become the statement piece for your room/house.

Thank you.

Cleaning and Maintenance of Chandelier Frame

The finish on our chandelier frames and fixture frames is protected by a durable coating of lacquer. To clean, use a clean soft, dry cloth. Do not use any metal polishes, cleaners, abrasives or any substance which could remove the protective finish. Failure to follow these instructions automatically voids the guarantee.

Cleaning and Maintenance of Crystals

Wet a soft cotton fabric in clean warm water and wipe gently, then polish with a dry soft cotton fabric.

To Order Crystal Replacement Parts

Should you require replacement crystals or pins (the metal connectors attaching the crystals), contact the store where the product was purchased. For ease of ordering, you may use the original crystal trimming instructions provided with this product and circle the items you wish to order, indicating the quantity by writing the number needed adjacent to the circle . You will be contacted with prices prior to shipment. All orders must be pre-paid.

Elegant Lighting Warranty

The finish and frame of your new chandelier or fixture are warranted for a period of one (1) year from the date of purchase. Our company will, at its option, repair or replace any frame that has a defect in the materials or workmanship during the warranty period. All crystals are guaranteed for their original quality during the life of the chandelier. Breakage is not covered by this warranty.

To make a claim under this warranty, contact our customer service department.

A written return authorization form will be sent to you with specific instructions.

Returns and Conditions of Warranty

Returns must be pre-authorized by contacting the retailer where you made your purchase..Returns will only be accepted with a written return merchandise authorization and return shipping charges pre-paid. We reserve the right to inspect all returned merchandise to fully determine the nature of any defect. This guarantee shall not apply to any product that has been changed, altered or otherwise modified, nor shall it apply to any product that has been repaired or altered by anyone other than a pre-authorized facility. We will not be responsible for any breakage or damages incurred during transit, nor for crystal parts or metal frame part that have been subject to misuse, negligence, accident or inappropriate handling. Also, we will not be held responsible for damage incurred during improper installation or wiring by others, nor for damages resulting from a failure to follow the recommended maintenance or installation procedures. This guarantee is issued in lieu of any and all other guaranteed or warranty, whether written or implied and any and all other obligations or liabilities. Further, we neither authorize nor permit any other person or firm to assume for us, any liability in connection with the sale of our products.
