## P1459CH: Pendant

**Collection:** Loras

The Loras collection from Feiss is a contemporary take on historic, industrial designs. The transitional chandeliers feature multiple corded pendants beautifully suspended on to a Dark Weathered Iron-finished frame. Clear Seeded glass shades add more rustic charm to this vintage-inspired silhouette, and the black fabric cord adds a clean, contemporary design feature to create contrast and update the look. Through the clear glass shades, the exposed bulbs are central to the design theme, so Edison-style bulbs are a perfect choice. Perfect for rustic, traditional inspired décor. The lighting collection includes a six-light chandelier, five-light chandelier, three-light chandelier, one-light mini pendant light and a one-light wall sconce. The one-light mini pendant light and one-light wall sconce are also available in a Chrome finish.
