Patrícia-3

Designed in 2015

A complement to any commercial or residential space, the Patrícia-3 seamlessly combines innovation with simple, refined design. Its elegant aesthetic belies its robust construction. Solid wood walnut or barn wood tone blades revolve around a balanced, cylindrical DC motor housing. Air is circulated efficiently with barely more than a whisper. An eco-conscious LED light kit completes the package, making Patrícia-3 sophisticated, efficient and green. Constructed of cast aluminum and heavy stamped steel, the Patrícia-3 carries a lifetime warranty.

Blade Options
