PRODUCT DETAILS:

Tamara's first home to air on Bargain Mansions was Juniper. She and her father worked on this home together, and at the end of the build, her father purchased the home. This home's French chateau design and masculine feel inspired the Juniper collection of linear pendants, wall mounts, vanity lights, and chandeliers. Cylindrical discs divide two stems into equal segments that lead to parallel arms. Each arm supports four candelabra bases housed by slender, clear glass shades. The Juniper 8 light linear pendant comes in aged brass or matte black, making it the perfect option for suspending above a kitchen island or dining room table.
